Drops Dead While Working in City

HENRY MITCHELL FORMER URBANA RESIDENT DIES IN TOLEDO—FUNERAL SATURDAY.

Henry Mitchell, a former resident of Urbana who has been living in Toledo for the past 37 years, dropped dead Wednesday noon while working in the pottery plant, in that city, where he was employed. He was sixty-five years of age and heart trouble was the immediate cause of death.

Mr. Mitchell was born, raised and married in Urbana, marrying Miss Sally Kemp, a cousin of Mr. T. J. Rolls, of South Main street. In recalling the early history of the family the fact was brought to light that Henry and Isaac Mitchell were abandoned by their mother at the Pennsylvania station in Urbana when they were only five and six years old. Isaac Mitchell has been dead several years.

The body will arrive in the city Saturday morning, at 11:55 over the limited from Lima and will be taken to the Gardner Undertaking parlors on South Main street. Later it will be removed to the Rolls home on South Main street and from this place the funeral services will be held Saturday afternoon, at 2:30 o'clock.

The Reverend J. P. Stimmmons will have charge of the services and burial will be made in Oak Dale.

David Kemp, of this city, and William Kemp, of Springhills are cousins of the deceased.

EVANS SAYS HE'S NOT UNGRATEFUL

Is Caring For Mother in His Home and Resents Statements of Hospital Head.

Frank Evans, of the State Liquor License department, Columbus, feels that an injustice was done him in the account of his father's illness at the county hospital when Supt. Standish said the son and received no reply. The son states that he was ill at the time and received no letter from the official and knew nothing of his father's illness. He claims that he is not the ungrateful son the official would make him out to be and points to the fact that he has his mother in his home at Columbus and is supporting her to the best of his ability. There is a story of some differences between father and son because the former disinherited the latter.

MRS. BECHTOL SUFFERS FALL

Mrs. George Bechtol, of North Main street, was slightly injured Thursday afternoon, when she slipped and fell while walking on the sidewalk in the northeast angle of Monument square. Her head struck the sidewalk bruising her forehead and nose and breaking her glasses. Although suffering considerable pain Mrs. Bechtol was able to proceed on her way.

TAXPAYERS SLOW MAKING RETURNS

Harry McNally assessor in the Fourth Ward states that tax payers are woefully slow about applying for and filling out their tax blank forms and as the time is growing short requests promptness. He will gladly assist any in filling out their returns if they will call upon him at the Ryan Undertaking office on North Main street.

FUNERAL SERVICES MONDAY P. M.

Funeral services for Mrs. Julia A. Jennings who passed away early Thursday morning at her home, 205 W. Church street, will be held Monday afternoon at 2 o'clock from the late home.

In the absence of the Rev. W. J. Dempster, the services will be in charge of the Rev. Dr. John Woods. Interment will be made in Oak Dale.

BOY AND GIRL BABIES ARRIVE

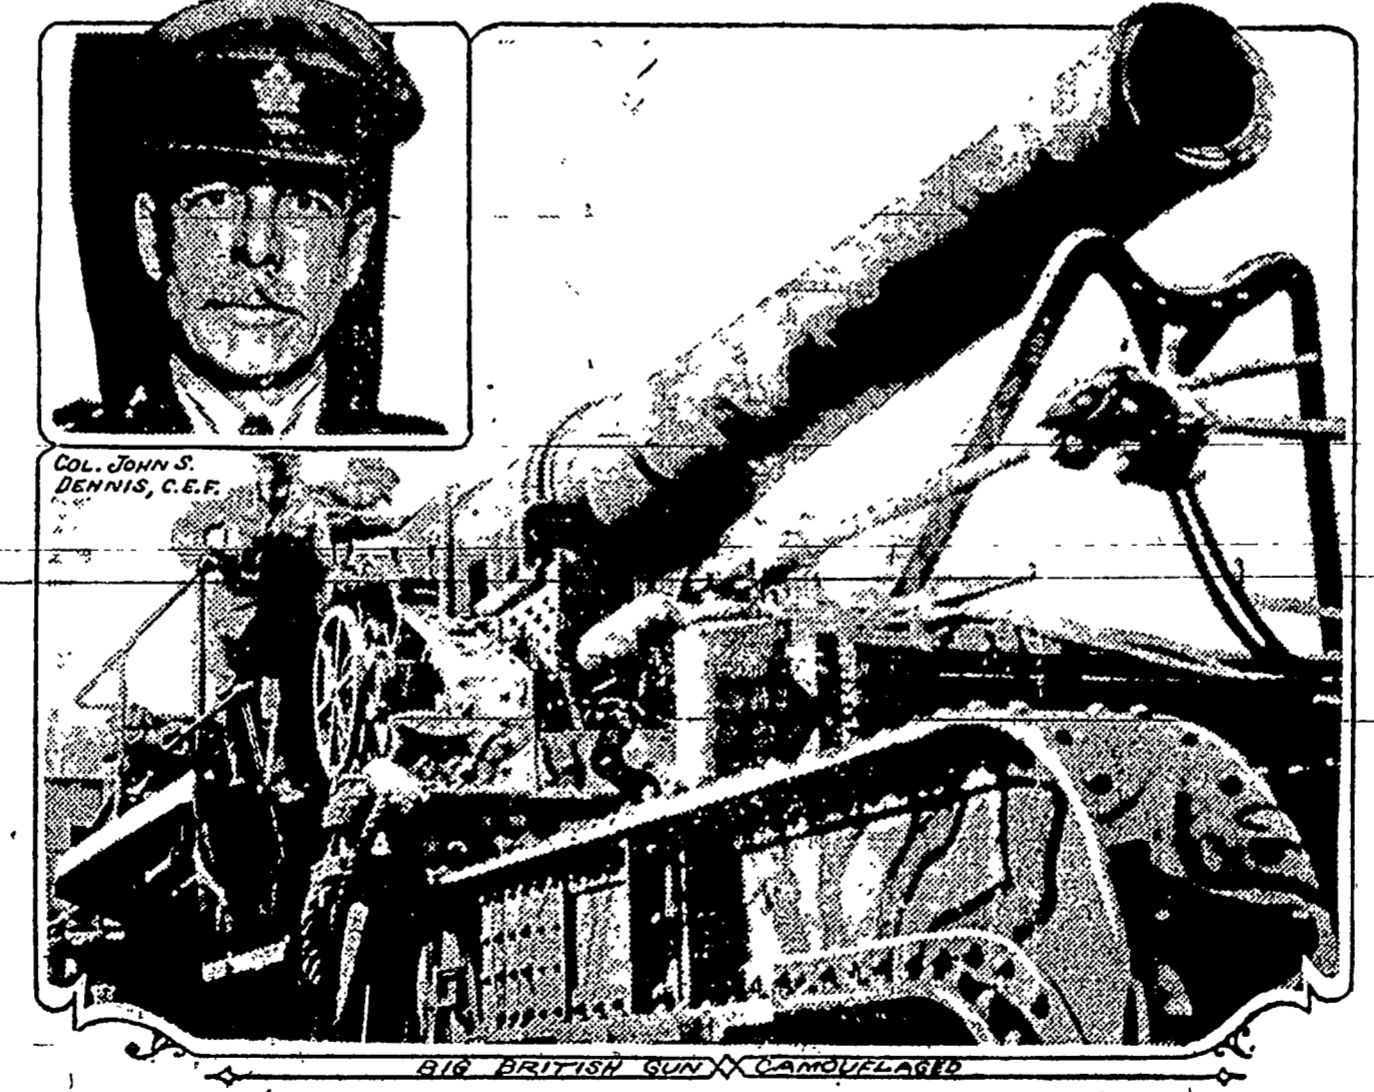

Miss Harriet Ernestine Boyer arrived in the city about noon Thursday to make an indefinite visit with her parents, Mr. and Mrs. Harry B. Boyer, of 627 South Main street. Her proud father was the recipient of many congratulations in the afternoon from his fellow employees at the Urbana Tool and Die company's plant, and is carrying his new honors gracefully.

Another home was made happy Thursday evening about 7 o'clock, when a 10-pound baby boy was born to Mr. and Mrs. J. L. Peterson at the county hospital. The little lad is their second child, and will probably be a great help to his father as an assistant salesman for the Weakley & Worman company, of Dayton, in the local district.

WEST LIBERTY HIRES R. & M. BAND

West Liberty is going to do things right in the matter of the coming patriotic celebration and flag raising next Thursday, and has engaged the Robbins & Myers band of Springfield, Rev. Carl D. Yoder, of Cleveland, a former West Liberty resident, to be one of the principal speakers of the day along with Governor Cox. The affair promises to be by far the biggest demonstration of any kind that the town has staged and many will go from Urbana to attend.

"WHAT BRITISHER OR CANADIAN," ASKS COL. DENNIS, "IS WILLING TO BE A 'MAN WITHOUT A COUNTRY'?"

"You can camouflage a gun or a battery in this war so that it can't be discovered, but after the war there won't be any camouflage clever enough to cover up a Britisher or Canadian of military age in the United States who has not volunteered to fight," said Col. John S. Dennis of the British and Canadian Recruiting Mission today.

"One of the classics of American literature is 'THE MAN WITHOUT A COUNTRY' by Edward Everett Hale, and the story which is full of tragedy and pathos describes the unhappy fate of a citizen of the United States who lost his citizenship and was never permitted for a moment to see his native land again.

"There are 350,000 Britishers and Canadians in the United States, a very large number of whom have not volunteered for service in the war and they have also claimed exemption from the American draft because they are British subjects. If these men do not volunteer for the British or Canadian Army within sixty days after the Draft Convention is completed, they will be drafted into the United States Army. They will then be in a very peculiar and unpleasant position—they will be 'Men without a country.' What will their reception be if they attempt to go back to England or to Canada after the war is over?"

"Every one will know that they declined to do their duty by the United States until forced to do so and that they refused to help their own kin in Canada and Great Britain in this titanic struggle for a civilization worth having. Great Britain, Canada, New Zealand, Australia, South Africa, India and other British possessions have not hesitated to make great sacrifices, why should a Britisher or Canadian in this country, living in the midst of plenty refuse to do his part?"

If these Britishers and Canadians wait to be drafted they will not improve the Allied fighting power at all, because each one who is drafted in the United States will merely take the place of a citizen of this country in the draft. In these days it will be well for Britishers and Canadians in the United States to read "The Man Without a Country," and to recall Scott's lines:

"Breathes there the man with soul so dead,
Who never to himself hath said,
This is my own, my native land?"

Dr. Blake is a successful dentist of that place.

Bert Shirley, soldier of fortune, arrived at the police station Thursday from Cincinnati and was given lodging for the night at his request. He is on his way to Columbus to answer the government's appeal for laborers at Hog Island, Penn., and has seen much of the world.
